Adecco S.A. delays announcement of FY 2003 audited results

CHESEREX, SWITZERLAND, January 12, 2004 – Adecco S.A. announced that it does not expect the audit of its consolidated financial statements for the 2003 fiscal year, ended on December 28, 2003, to be completed by Adecco's auditors, by the previously announced release date of February 4, 2004

The reasons for the delay in completion of the audit include:

- The identification of material weaknesses in internal controls in the Company's North American operations of Adecco Staffing
- The resolution of possible accounting, control and compliance issues in the Company's operations in certain countries
- The completion of the Company's efforts to address these matters and determine their effect on the Company's consolidated financial statements.

In this regard an independent Counsel has been appointed by the Audit & Finance Committee of the Company's Board of Directors to conduct an investigation.

The Company is not yet able to predict when the 2003 audit of its consolidated financial statements will be completed.
